JSL SERVICES GROUP

Making IT Simple

Support designed for your school

*We have been supporting schools since 2003
You are safe in our hands*

About Us

We aim to building lasting relationships with the customers we support - our first customer in 2003 is STILL a JSL customer

Does your IT support company offer scheduled onsite support, remote support, data cabling, Av and WiFi installtions, offer outsourced DPO and compliance services, a fully managed inhouse broadband service with excellent response times? We do!

Why Choose Us?

We take the hassle out of switching IT providers, with 20 years experience in the education sector, we will make this seemless

- We work with your existing provider to ensure NO downtime
- No obligation, free system healthchecks available
- We cover most of the South East of England

Contact us
